IN-FLIGHT CATERING

AERO TRATTORIA supplies customer specifications tailored food to private jets, and works according to aviation requirements. A combination of innovation, quality and professionalism enable us to serve our different customers. Our vision is to provide the guest with a culinary experience characterized by innovation, a variety of flavors and precision with a personal unique touch for every dish. All meals are produced 3 hours before departure in order to preserve the flavors, freshness and highest quality.

AERO TRATTORIA also supplies laundry and dishwashing services.
